tarsal bones  
 pubis  
 glenoid fossa of scapula  
 atlas  
 medial condyle of femur  
 vertebral column  
 ribs  
 femur  
 xiphoid process of sternum  
 acetabulum of hip bone  
 anterior superior iliac spine  
 coccyx  
 hip joint  
 medial condyle of tibia

iliac crest  
 ilium  
 ischium  
 tibial plateau  
 pubic tubercle  
 sacroiliac joint  
 sacrum  
 acromioclavicular joint  
 acromion of scapula  
 clavicle  
 tibial tuberosity  
 neck of femur  
 coracoid process of scapula  
 distal radioulnar joint
